

Explore some of Europe's most exciting new destinations of **Austria -Slovenia -Croatia** with a pass that allows you to visit not only the famous places of Austria but Split, Zagreb and Ljubljana as well.

A day of rail travel is a 24 hour period from midnight to midnight. This allows for unlimited travel on any number of trains for each day of use. Travel days may be used consecutively or non consecutively .

General information

To start using the pass it must be validated at a European train station before your first journey.

Each further day of travel must be entered on your pass before you board the train.

If on any day you travel on an overnight train that departs after 7pm and don't change trains before midnight then you only have to enter the following day on your Pass.

Conditions

- Residents of Europe, UK, Turkey, Morocco, Algeria, Tunisia and the Russian Federation are not eligible to purchase or use a Eurail Austria-Slovenia-Croatia Pass.
 - Passes must be validated within 6 months of issuing date by a railway official in Austria, Slovenia or Croatia.
 - Passes must be validated prior to boarding first train/ first use of travel bonus.
 - Seat reservation fees are an additional charge and not inclusive in the cost of the pass.
 - Comprehensive conditions of use can be found on the ticket cover.
 - What is the 7pm rule?
 - If your train departs before 19.00 hrs (7 pm), you need to use two travel days
 - If you are travelling on a direct night train (with no connections or layovers) that departs after 19.00 hrs (7 pm) and arrives after 04.00 hrs (4 am), you only need to use one day (the day of arrival).
- Please note: your Pass must be valid on the day of departure and arrival.
