

Witness the beauty of the French and Swiss Alps. Try your luck at Monte Carlo or live it up at the Jazz Festival in Montreux. There's so much to see and do throughout **France and Switzerland**.

A day of rail travel is a 24 hour period from midnight to midnight. This allows for unlimited travel on any number of trains for each day of use. Travel days may be used consecutively or non consecutively.

Extra information

Which Swiss railroads are included in the France 'N Switzerland Pass?

Switzerland features 2 main networks: the "Basic network" and the "Swiss Travel System"

- The Basic network includes all major railway connections and boat companies to major cities and tourism areas plus different bonuses within Switzerland.
- The Swiss Travel System network includes the basic railroads, urban transportation system, postal buses and the main mountain railways/ cable cars.

The France 'N Switzerland Pass covers the BASIC NETWORK and provides passholders with a 25% discount on the Glacier Express (the Glacier Express ticket must be purchased at the same time as the France 'N Switzerland Pass).
