

The European East Pass combines travel in **Austria, Czech Republic, Hungary, Poland and Slovakia**. Enjoy the unique character and history of each region at your own pace, by train, and in first or second class.

A day of rail travel is a 24 hour period from midnight to midnight. This allows for unlimited travel on any number of trains for each day. Travel days may be used consecutively or non consecutively.

General information

To start using the pass it must be validated at a European train station before your first journey.

Each further day of travel must be entered on your pass before you board the train.

If on any day you travel on an overnight train that departs after 7pm and don't change trains before midnight then you only have to enter the following day on your Pass.
