

You'll know from the very moment you climb aboard the Alaska Railroad you're riding on the best train in the world.

The charm and scenic appeal of this great and vast land is amplified through panoramic windows and underscored by historical narratives from knowledgeable Alaskan conductors and tour guides. You become part of a moving picture show, traversing mountain passes, ancient glacial river valleys, and ever changing stretches of colour-drenched landscape.

General information

Inclusions

- Large picture windows, forward facing reclining seats, open air vestibules, gift shop on board the Denali star and Coastal classic trains, historical route maps and the Alaska Railroad's Onboard magazine are provided.
- Denali Star GoldStar service includes confirmed seating in the upper level dome car, complimentary beverages served at your seat, priority check-in and boarding, priority seating in the lower level dining room and private outdoor viewing deck, the only one of its kind in the world.
- Dining carriage available with a selection of light meals, snacks and beverages available for purchase.
- Tour guides: local student tour guides on our passenger trains when school's out.
- All trains are non-smoking

Documentation

An E-Ticket will be issued which can simply be printed and shown at the station.

Baggage

Passengers are permitted two pieces of checked baggage (of under 22Kg per piece) and one piece of carry on. Two extra pieces of baggage may be checked for an additional fee payable locally. A handling fee may also apply to oversized baggage, bicycles and other recreational equipment. Camping/motor fuel and hazardous items are not permitted on board the Alaskan railroad.
