Journey through Central Asia: From Turkmenistan to Kazakhstan.

Stretching from the Caspian Sea to the Tian Shan Mountains, the Central Asian countries of Turkmenistan, Uzbekistan and Kazakhstan are richly endowed with history and culture, a flavour of which you will sample on this exciting journey by Private Train from Ashgabat to Almaty.

This 14 day tour begins in Ashgabat - board your Private Train and start your journey through the infamous Karakum Desert. Visit the colourful Teilikha Bazare, a typical oriental market, one of the largest in Central Asia, where in addition to camels one can also buy precious silver jewellery and valuable carpets. After lunch, take a city tour and become acquainted with today’s capital Ashgabat.

Dine with folklore and later depart on your Private Train to arrive at the UNESCO World Heritage Site of Merv, with its gigantic walls and the impressive ruins of old buildings such as the Mausoleum of Sultan Sanjar and the Virgin Fortress (Kiz Kala). Lunch is served in the picturesque courtyard of an artist, before boarding your Private Train heading for Bukhara - The City with the Desert Lighthouse situated in the middle of the Kyzyl Kum desert. Here, you’ll experience the city in an all-day tour program, including lunch. Bukhara is a large, unique and authentic art museum that maintains its old oriental face. In the morning, we guide you to the magnificent Minor-e Arab Mushraah and the most beautiful and precious building in Central Asia, the Samanid Mausoleum.

Take a tour through the fortress Ark and visit the summer residence of the last Emir. At the end of your stay, we visit the only women’s mosque in the world. Later during our three-night stay in Beijing we devote a day to the most awe-inspiring site in the whole of China - The Great Wall. This amazing edifice is perhaps the most evocative symbol of Chinese skill and precision. We have the privilege of walking along a portion of the wall - the perfect opportunity to take some memorable photographs with your fellow guests.

Retrace one of the most important trading routes of ancient civilisation, the Silk Road follows in the footsteps of such legendary figures as Alexander the Great and Marco Polo. For centuries, merchants and adventurers journeyed to and from China on ancient routes through some of the most testing landscapes in the world trading silk, spices and perfumes. These ‘highways’ – stretching some 6,000 miles (6,400 km) – collectively came to be called the “Silk Road”.

Crossing both Russia and China as well as some of the remotest former Soviet Republics our epic journey onboard the Golden Eagle through Russia, Kazakhstan, Uzbekistan and Turkmenistan and the Shangri-La Express from the Kazakh border to Beijing across the Gobi Desert and through an ever-changing landscape, will take in some of the most magnificent yet little visited sites and oasis cities from the ancient world.

We travel a total of 6,800 miles (11,000 kilometres) across five countries and six time zones through areas only accessible by train. Whilst the journey may present great difficulties for the independent traveller, our tour provides the opportunity to travel in comfort and safety.

A true feeling of adventure and pioneering awaits on this unique tour by private train.
