

Discover Peru by rail on-board South America's first luxury sleeper train.

Belmond Andean Explorer traverses across some of the most magnificent scenery in the world.

From Cusco, the ancient capital of the Inca Empire; traversing the highest plains of the Andes; to the reflective beauty of Lake Titicaca; and a chance to explore the vast Colca Canyon and towards the city centre of Arequipa, a UNESCO World Heritage site. An alternative itinerary can also be taken from Arequipa to Cusco in reverse.
