

See the iconic mountain at its most striking from the summit of Rothorn.

The journey begins when you board the funicular in Zermatt for a 4.5-minute ride to Sunnegga. The railway, fully renovated in 2013, leads up a rock tunnel through the mountain's interior to a sunny, scenic terrace with spectacular views of the Matterhorn. The panorama of four-thousand-metre peaks revealed from the top of Rothorn makes it the perfect starting point for unforgettable moments in Matterhorn paradise
